waived with internet bundle
packages and KufNet PLUS)

UNBEATABLE AFFORDABLE CALLING!

As a special service, we offer our cable TV and internet customers an attractive landline telephony product in cooperation with talk2u.

Within the network, you can make calls free of charge without limits. Calls to the Austrian landline network are available from 0.014 euros per minute. Additionally, 100 free minutes to Austrian landlines per month are included during leisure time!*

REACHABLE VIA LANDLINE NUMBER

If you already have an existing landline connection, you can keep your current phone number upon request. A new number is also available at no extra charge.

TELEPHONY VIA CABLE TV

You can usually continue using your existing telephone or use a standard landline phone.

WE TAKE CARE OF EVERYTHING FOR YOU

Visit the Stadtwerke Kufstein and we will handle all further steps for you. From detailed consultation about number portability to cancelling your contract with your current provider.

IMPORTANT: For registration and possible number portability, we require one of your latest telephone bills from your current provider. This is also where you will see the monthly basic fee.

* 100 free minutes per month during leisure time included, provided that a direct debit authorization has been granted and the delivery of the call charge invoice is made via e-mail.

Note on mobile: If a country is listed in a mobile international zone, this tariff applies when a mobile subscriber in that country is called. For landline subscribers, the respective international zone applies. If a country is not listed in a mobile international zone but only in an international zone, this zone applies to both landline and mobile subscribers in that country.

The KufNet Telephony product is offered in cooperation with talk2u (a service of IT-Technology GmbH, Grillgasse 18, 1110 Vienna). Product and price descriptions are available at www.talk2u.at/kufnet. The telephony services are subject to the General Terms and Conditions (GTC), pricing provisions and service descriptions (EB/LB), the international zone list (ALZI), as well as the product and price sheet (PPB) Tele Private in their current versions. These documents can be downloaded at www.kufnet.at/en/gtc and printed if required.
